*Proceedings of the Madras Government, Public Works Department,
1st February 1864.*

No. 1. Read the following letter from Colonel A. J. M BOILEAU, R. E., Superintending Engineer, 4th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Madras, 26th January 1864, No. 4,735 :—

Sir,

In March last the Executive Officer, No. 3 Range, Madras, under the authority of the late District Engineer, Captain E. Moberly, incurred an expense of Rupees 14-2-0 for Coolies to mark out the line of proposed new road from Sreeperumator to Trivellore, with a view to the land being measured and valued by the local Revenue authorities, and included it in his contingent bill for that month. The Controller and Auditor Public Works Accounts however states that the charge cannot be passed under the head of Office contingencies, but may be so under the head of works, the source from which it can be met being stated. I have therefore the honor to report that I have authorized the Range Officer to charge the amount in question to the sum, Rupees 25,000, allotted in the Madras District this year as maintenance allowance on Trunk Road No. 1, an arrangement which I trust will be approved of by Government.

No. 2. ORDER THEREON, 1st February 1864, No. 327.
