SIR,

I DILL

I have the honor to forward a bill for Rupees 1,051-6-0 for constructing a store-room &c., for Assistant Conservator at Nelumboor, which sum was charged as Public Works expenditure for 1863-64, but the grant for the work though ordered to be met from the Forest Budget was not specially authorized by Government to be transferred to the Public Works Department as an addition to its allotment, nor was any money received in cash from the Forest Department on this account. I request that under the circumstances explained the Government will sanction the amount spent from the Public Works allotment of last year, and that permission may be granted for the outlay in the current year being met from the Forest Budget by transfer of the amount provided for the same, to the Public Works Department in addition to the year's grant.
