MADRAS RECORD OFFICE.

Government of Madras.

Public Works DEPARTMENT.

G.O. No. 3293	Press
335-336	Mis.
Dated 16 - 11 -	1864.

Not to be folded or roughly handled

*Proceedings of the Madras Government, Public Works Department,
16th November 1864.*

No. 335. Read the following letter from Major J. F. STODDARD, Officiating Superintending Engineer, Upper Godavery Circle, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Dumagudiem, 7th November 1864, No. 672 :—
Sir,

1. Having heard that the Mortar Grinding Mill at Dowlaishweram is to be returned into Store at Madras, I have the honor to request that, if the Government have no objection, the Mill may be transferred to this Circle, where it would be very useful, at its present value, which might be fixed by the Superintending Engineer, 1st Division.

2. Should this application be agreed to, I would beg that a telegraphic communication to that effect be sent to the Officer in charge of the Workshop, Dowlaishweram, in order that the Mill may be sent up here before the river ceases to be navigable.

No. 336. ORDER THEREON, 16th November 1864, No. 3,293.

1. The Government sanction the transfer, to the Upper Godavery Circle, of the Mortar Grinding Machine lying in the Dowlaishweram Workshop, and which the Superintending Engineer, 1st Division, was instructed in Proceedings No. 2,905, dated 10th October 1864, to despatch to the Departmental Stores at the Presidency.

2. Captain Ryves will be requested to report the amount at which the machine is now valued.

(True Extract.)

(Signed) CHARLES A. ORR, Colonel, R. E.,
Secretary to Government.

To the Superintending Engineer, 1st Division.

- .. Officiating Superintending Engineer, Upper Godavery Circle.
- .. Store Department.
- .. Controller of Public Works Accounts.
- .. Accountant General.
