No. 408. Read the following Endorsement of the Under Secretary to Government, Public Works Department, in charge of Store Department, dated Chepauk, 10th November 1864, No. 550:—

Read the following letter from Lieutenant-Colonel E. MEMERY, R. E., Superintending Engineer, 3rd Division, to Major J. H. M. SHAW STEWART, R. E., Under Secretary to Government, Public Works Department, dated Cuddapah, 3rd November 1864, No. 131.

SIR,

1. With reference to your letter as per margin, I have the honor to inform you, that a further search through the old records of the Cuddapah District has elicited the following information regarding the missing Circumferenter, No. 106.

2. In copy of a statement shewing the number of instruments, &c, in charge of Mr. D'Rozario, Acting Sub-Assistant Revenue Surveyor, on the 1st January 1856, the box of Circumferenter No. 106 is entered with the following remark in the margin:—"Instrument stolen."

3. This statement was forwarded to the then Chief Engineer, and I conclude that a report of the robbery had previously been made; I understand that the instrument was stolen from Mr. D'Rozario in 1855 when in the Nellore District, and under these circumstances I have the honor to request that the sanction of Government be obtained for striking the instrument out of the Returns of this Division.

Submitted to Government with a recommendation that under the explanation afforded by the Superintending Engineer, 3rd Division, the Circumferenter therein alluded to may be struck off the Returns of the 3rd Division, and the value of the instrument, viz., Rupees 116-0-9, be written off to "profit and loss."

(Signed) J. H. M. SHAW STEWART, Major, R. E.,
*Under Secretary to Government, P. W. D.,
In charge of Store Department.*
