3. The other amount, Rupees 80, adverted to in my letter above mentioned is said to be for trees and land in Ally Baugh taken possession of for a road under Extract Minutes Consultations, No. 221,* dated 13th October 1854, which, however, appears on examination of the 'declaration' to relate to land for the Railway Central Terminus, at one time proposed to be erected near the Commander-in-Chief's Bridge, and to bear no reference to a road.

4. The total amount applied for by the Collector of Madras is therefore Rupees 3,933-6-10.

1. The sum of Rupees 80 referred to in paragraph 2 of your letter dated 30th ultimo, No. 2,523, is the value of certain trees on land taken in Ally Baugh for road under the Orders of Government dated 13th October 1854, No. 221, true copy of which is herein enclosed.

2. I beg to enclose copy of the Order of Government No. 663, dated 14th May 1859, under which the land was taken at Egmore, for an exercising ground for the new Cantonment at Landon's gardens.

Sir:

In continuation of my letter
No. 2522 dated 30th August 1864. I have
the honor to submit the accompanying papers
since received from the Deputy Collector
in charge of the Treasury Madras District
on the subject of the sums which he represents
to be due from the funds held at disposal by
this Department on account of compensation
for lands taken up in previous years for public
purposes.

2 From these papers it appears that
the sum Rupees 3234. 14, alluded to in my
letter above quoted is for land at Egmore
taken

taken possession of under G. O. N. 663. dated 14th May 1859 for an exercise ground, and that the total amount to be paid on its account is Rupees ~~3933-6-10~~ ³⁸⁵³⁻⁶⁻¹⁰ viz,

On account of sum advanced in ~~June~~ ^{June and July 1864} by the Revenue Department Rupees ~~3234-14-~~ ³²³⁴⁻¹⁴⁻ ~~612-8-10~~ ⁶¹²⁻⁸⁻¹⁰ For sum to be paid in this year - ~~698-8-10~~

3 The other amount, Rupees 80, adverted to in my letter above mentioned is said to be for trees and land in Alhy Bangh taken possession of for a road under Ex. Mins. Cons. N. 221 dated 13th October 1854, which, however, appears on examination of the 'declaration' to relate to land for the Rail. way Central Terminus at one time proposed to be erected near the Commander-in-Chief's Bridge, and to bear no reference to a road.

4 The total amount applied for by the Collector of Madras is therefore Rupees ~~4012-6-10~~ ³⁹³³ ~~6-10~~, but of this sum, only Rupees ~~778-8-10~~ ⁶⁹⁸ are required to be paid this year, as according to para 3 of G. O. A.

~~No. 2476 dated 29th July 1864, all cash disbursements of previous years being sent to these made by the Revenue authority above intimated to be dealt with as a book adjustment.~~

Superintending Engineer 8th Division

Sir,

In reply to your letter of the 14th Instant
N. 1364 requesting to be furnished with a
Statement showing the specific objects for which
the balance of Rupees 1370-13-0 out of the sum
of Rupees 3000 therein referred to, is required,
I have the honor to inform you, that I am
unable at present to specify the objects for
which the above amount is required, but it is
likely that more private lands will be taken
up during the remaining part of the current
official year for the construction of Road No. 8
between Palamcottah and Puticorin. I have
already received petitions from certain Ryots
of the Villages of Vallanad and Buttanery in
the Pinnawelly Taluk, claiming compensation
for lands said to have been taken up by the
Department Public Works for Road No. 8, in
the above limits, and the petitions have been
referred to the Paksildar for report.

I therefore request you will be
good enough to obtain the early sanction of
