Public Works **DEPARTMENT.**

G.O. No. 3363	Press ~~Mis.~~
475-476	
Dated 23- 11 -	1864 .

Not to be folded or roughly handled

*Proceedings of the Madras Government, Public Works Department,
23rd November, 1864.*

No. 475. Read the following Proceedings of the Governor General of India in Council
Public Works Department, (Account), dated Simla, 19th September 1864, Circular No. 70.—

Revised form of Public Works Budget-Estimate.

Read—

Note by Accountant General, Public Works Department, submitting for approval a revised form of Budget estimate based on the skeleton form of Public Works Accounts Commission. See their Report, paragraphs 48 to 50.

RESOLUTION.—The revised Budget estimate consists of the following details and appendices.—

1. Abstract of the estimated charges of the year.
2. Detail of Original Works.
3. Detail of Repairs
4. Detail of Establishments.
5. Detail of Tools and Plant.
6. Detail of State expenditure on account of Railways and other guaranteed enterprise.

APPENDICES.

- A.—Schedule of items making up the estimate for repairs.
D.—Detail of Military pay and allowances included in the estimate for establishments.
C.—Distribution of establishments in two parts—
Part I, excluding petty establishments.
Part II, petty establishments only.
D.—Memorandum of Indents on London for Stores expected during the year.
E.—Estimate of probable receipts of the Public Works Department to be paid into the Government Treasury.
F.—Estimate of probable sums expected to be drawn from Public Treasuries during the year.
G.—Estimate of Railway transactions not appearing as receipts or disbursements of the Public Works Department during the year.

His Excellency the Governor General in Council is pleased to approve of these forms, and directs that they be adopted for the estimates of 1865-66, in supercession of the existing forms of Budget estimate, which are hereby cancelled.

The forms contain sufficient explanation in themselves to be easily understood, and call for no particular remarks here.

His Excellency in Council desires the new form of estimate may be strictly adhered to, that the estimate may, if possible, be printed on white paper of foolscap size; and that any explanatory remarks or forwarding letter and any additional matter may be invariably submitted separately, and not be bound up with the estimate

Governments of Madras, Bombay, Bengal, North-Western Provinces and Punjab, Governor, Straits Settlements, Chief Commissioners, Oudh, British Burmah, and Central Provinces, Commissioner of Mysore, Resident at Hyderabad, Agents to the Governor General, Rajpootana and Central India, Superintendent of Lighthouses

ORDER.—Ordered that a copy of the foregoing Resolution be forwarded to the Local Governments and Administrations marginally noted for information and guidance.

Also that a copy be forwarded to the Financial Department, and to the Accountant General, Public Works Department, for information.

(Signed) R. STRACHEY, Colonel, R. L.,
Secretary to the Government of India.

(Signed) E. C. S. WILLIAMS, Captain R. E.,
Under Secretary to the Government of India.

To the Secretary to the Government of Madras, Public Works Department.

*Proceedings of the Madras Government, Public Works Department,
23rd November 1864.*

No. 476

ORDER THEREON, 23rd November 1864, No. 3,363

1. Resolved that the revised forms of Public Works Budget Estimate received with the foregoing Circular from the Government of India be furnished to the Officers marginally noted, with a view to their adoption, in supersession of the forms hitherto in use.

Superintending Engineers,
Controller of Public Works Accounts,
Consulting Engineers for Railways
Consulting Engineer for Madras Irrigation and Canal Com-
any

2. The subject of incorporating in the Imperial Budget the estimated expenditure from Local Funds by Public Works Officers will be considered in the Revenue Department.

3. Form No. I—Will be prepared in the Government Office.

4. Forms Nos. II and III.—These will be furnished by Superintending Engineers. The items in Part II should be arranged in the order noted at the foot of pages 4 to 8. The works under "Agricultural" should be entered as shewn below;—

1. Irrigation.
2. Tanks.
3. Dykes.
4. Drainage.

Care should be taken that the sanction of the Local Government, in the Public Works Department, is quoted opposite to each item; and in event of provision being made in any particular estimate on account of machinery, &c, the amount so provided should be noted in the column of "Remarks or References."

5. Form No IV—Will be furnished by the Controller of Public Works Accounts.

6. Form No V.—This Return will be furnished by the Store Department. The Officer in charge should at once place himself in communication with the Superintending Engineers, with a view to obtaining the necessary particulars.

7. Form No VI—Will be furnished by the Consulting Engineers for Railways and for the Madras Irrigation and Canal Company

APPENDICES.

8 A—Will be furnished by Superintending Engineers. In lieu of the sums heretofore entered in Part II of the Local Budgets, under the head "Special Repairs," a lump sum should be provided under each of the main* Budget heads against the item "Special unforeseen Repairs" Superintending Engineers will be careful to enter, in the column of "Remarks," the orders of Government sanctioning grants for the maintenance of specific lines of communication, &c.

* Military
Civil Buildings,
Agricultural,
Communications,
Miscellaneous
Public Improvement }

9. B and C—Will be submitted by the Controller.

10. D—This form is precisely similar to that furnished to the Store Department with Proceedings No. 3,013, dated 20th October 1864.

11. E.—This Return will be prepared by the Controller, in communication with the Accountant General. In order to the preparation of Statement F, the Controller will report the probable cash balance in the hands of the Officers of the Public Works Department on the 1st May next.

12. G—Will be furnished by the Consulting Engineers for Railways and for the Madras Irrigation and Canal Company, in lieu of the Statements called for in Proceedings No. 3,013, dated 20th October 1864, in the forms given at pages 22 and 23 of the revised Budget of this Presidency for the current official year.

*Proceedings of the Madras Government, Public Works Department,
23rd November 1864.*

13. Such of the Superintending Engineers as have already submitted their Budgets in the old form will now be requested to furnish revised Budgets at an early date. Any new works that those Officers may recommend for execution during the ensuing year, in the event of funds in excess of the amount provisionally allotted for each District in Memorandum No 103, dated 20th August 1864, being available, should be entered, in red ink, at the foot of Form II.

14. Superintending Engineers are requested to submit a separate Budget for each District, and to use their best efforts to furnish the Returns required at an early date, so that the General Budget may be prepared by the Government Office, and submitted to the Government of India, in time to reach Calcutta by the appointed date.*

* 1st February 1865.

CIRCULAR No. 70 of 1864.

PUBLIC WORKS.

PROCEEDINGS OF THE GOVERNOR GENERAL OF INDIA IN COUNCIL

PUBLIC WORKS DEPARTMENT,
SIMLA, 19th September, 1864.

Account

Revised form of Public Works Budget-Estimate.

Read—

Note by Accountant General, Public Works Department, submitting for approval a revised form of Budget-Estimate based on the skeleton form of Public Works Accounts Commission See their Report, paras 48 to 50.

RESOLUTION.—The revised Budget-Estimate consists of the following details and appendices:—

- 1.—Abstract of the estimated charges of the year.
- 2.—Detail of original works.
- 3.—Detail of repairs.
- 4.—Detail of establishments.
- 5.—Detail of tools and plant.
- 6.—Detail of State expenditure on account of railways and other guaranteed enterprise.

Appendices.

- A.—Schedule of items making up the estimate for repairs.
- B.—Detail of military pay and allowances included in the estimate for establishments.
- C.—Distribution of establishments in two parts—
Part I, excluding petty establishments.
Part II, petty establishments only.
- D.—Memorandum of Indents on London for stores expected during the year.
- E.—Estimate of probable receipts of the Public Works Department to be paid into the Government Treasury.
- F.—Estimate of probable sums expected to be drawn from Public Treasuries during the year.
- G.—Estimate of Railway transactions not appearing as receipts or disbursements of the Public Works Department during the year.

His Excellency the Governor General in Council is pleased to approve of these forms, and directs that they be adopted for the estimates of 1865-66 in supersession of the existing forms of Budget-Estimate, which are hereby cancelled.

The forms contain sufficient explanation in themselves to be easily understood, and call for no particular remarks here.

His Excellency in Council desires the new form of estimate may be strictly adhered to; that the estimate may, if possible, be printed on white paper of foolscap size; and that any explanatory remarks or forwarding letter and any additional matter may be invariably submitted separately, and not be bound up with the estimate.

ORDER.—Ordered, that a copy of the foregoing Resolution be forwarded to the Local Governments of Madras, Bombay, Bengal, North Western Provinces, and Punjab, Governor, Straits Settlements, Chief Commissioners, Oudh, British Burmah, and Central Provinces, Commissioner of Mysore, Resident at Hyderabad, Agents to the Governor General, Rajpootana and Central India, Superintendent of Lighthouses, Governments and Administrations marginally noted, for information and guidance.

Also, that a copy be forwarded to the Financial Department, and to the Accountant General, Public Works Department, for information.

Public Works Dept
35

No. 3363

Proceedings of the Madras Government
Under date the 23rd November 1864

Read the following
from the Secretary to the
Government of India.
Pub. Works Dept.

Revised form of Public
Works Budget Estimate. (Here enter 19th September 1864
No 70)

Resolved that the
revised forms of P.W.
Budget Estimate received
with the foregoing Circular
from the Govt. of India
be furnished to the
Officers marginally noted
with a view to their adop-
tion, in supersession of
the forms hitherto in use

M

M

Supg Engineers
Controller of P.W. Works
Commr. of P.W. Works
Commr. of P.W. Works
Commr. of P.W. Works

2. The subject of

incorporating in the Im-

perial Budget the Es-

timated expenditure from

Local Funds by Pub.

lic Works Officers will

be considered in the

Revenue Account

3. Form No I

will be prepared in the

Government Office

4. Forms No II & III

These will be furnished

by Superintending Engs.

The items in Part II

should be arranged

the order noted at the

foot of pages 4 to 8

The work under "Agueul"

should be entered

as shown below.

1. - Irrigation

2. - Levees

3. - Dykes

4. - Drainage

One should be taken

that the sanction of the

Local Govt, in the Pub.

lic Works Account is

quoted opposite to each

item; and in the event of

provision being made in

any particular estimate

on

on account of Machinery
of the amount so pro-
vided should be noted
in the column of Remarks
References -

5 Form No IV

Will be furnished
by the Controller of
P.W. Accounts.

6 Form No V

This Return will be
furnished by the
Store Department & the
Officer in charge
should at once
place himself
in

in communication
with the Superintending
Engineers with a view to
obtaining the necessary
particulars.

7 Form No VI
will be furnished by
the Joint Engineers
for Railways and
for the Madras
Irrigation & Canal
Company.

Appendices

8. A. Will be
furnished by Superintending
In lieu of the same
heretofore

heretofore entered in

Part II of the Local

Budgets, under the head

"Special Repairs" a lump

sum should be provided

under each of the main

Budget heads against

the item "Special unforeseen

repairs". Inspectors

will be careful to enter,

in the column of "Remarks,"

the orders of cost, same.

tioning grants for the

maintenance of specific
