Sir,

With reference to my letter of the 5th September last No. 151 forwarding the sufficient estimate and explanation of the Dowdalam Canal proposed in the Fort Commandant upon the closing of the old Chinthamany Canal round Rhana the honor to request you will be good enough to obtain sanction for the work without delay. As the Chinthamany Canal runs round Rhana yard having been definitely closed, and the Protestant and Roman Catholic Communities in and near the Fort are very large the immediate preparation of the Dowdalam ground is urgently and indefinitely required.
