*Cuddapah, 5th January 1864, No. 249 ; to
Government.*

On communicating to Captain Fischer, Exe-

cutive Engineer in charge of Military Buildings
under the Order of Government, No. 2932,
1863, that Officer informed me that the sum
entered in the List of Military Buildings to be
granted of four lacs, for a School Room and
place of worship at Bellary, was insuffi-
cient, the original Estimates having been
prepared in 1859 ; Captain Fischer also pointed
out that the roof, as originally designed, was not
suitable to a District where it is very difficult to
procure skilled Artificers, and requested to be
allowed to revise the Plan and Estimates for the
above-mentioned Buildings.

2. I now beg to submit for sanction a revised Plan and an Estimate, amounting to Ru-
pees 11,220, prepared by Captain Fischer for each building, one to be used as a School Room and
the other as a place of worship for Roman Catholic Soldiers at Bellary.

3. The amount, Rupees 22,440 required for these Buildings, exceeds the sum entered in
Order of Government above quoted, by Rupees 2,440.

4. The revised Plan has met with the approval of His Excellency the Commander-in-Chief,
and of the Major General Commanding Ceded Districts.

5. I beg to enclose the original design for these Buildings, in order that Government may
see wherein it differs from the one now submitted for sanction.
