The allotment of 1 lakh to the Minor Administrations\* will be divided between them, on consideration in this Department of the claims they may advance to participate in the one per cent. Fund. But it may be remarked that, with the exception of Coorg, in Mysore, to which Rupees 6,500 were assigned from the one per cent. Fund for 1862-63, there have been no allotments to the Minor Administrations for that year, no claims having yet been made.

His Excellency the Governor General also desires that it may be remembered by Local Governments and Administrations, that the one per cent. Fund is not applicable to Imperial Works bringing in direct profit to the Government, and that the general instructions laid down as to the system to be observed in dealing with the allotments of the preceding years, are to be held applicable to the assignments for the present year.

**ORDER.**—Ordered, that the above Resolution be forwarded to the Governments and Administrations, marginally noted, for information and guidance.

Ordered, also, that a copy of the above be forwarded to the Financial, Foreign, and Home Departments, and to the Public Works Department at the Presidency, for information.
