*Proceedings of the Madras Government, Public Works Department,

Read the following papers:—

No. 82. Telegram from Colonel HITCHINS, Cuddalore, to Colonel ORR, Madras, dated 28th January 1864.

Threethousand Rupees can be transferred from Agricultural repairs in South Arcot to Military repairs at Bangalore. Orders have already been sent to Captain Goddard to proceed with emergent repairs to building.

No. 83. From Lieutenant-Colonel H. W. HITCHINS, R. E., Superintending Engineer, 5th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Cuddalore, 29th January 1864, No. 4.
Sir,

I have the honor to state, with reference to your Telegram of this date, that the Officer in whose Range the saving on Agricultural repairs will be effected, has not as yet reported the repair works which can be easily postponed till the next official year, and as the sum of 3,000 Rupees which I mentioned could be transferred to Bangalore has been already appropriated, I cannot report at present the sub-divisional heads from which it will be taken, however as soon as it is settled I will make an immediate report.

No. 84. ORDER THEREON, 4th February 1864, No. 367.

The papers recorded above will be communicated to the Quarter Master General of the Army, with reference to his Endorsement No. 905, dated 26th January.
