FORT SAINT GEORGE,
5th February 1864.

No. 377.

No. 103.

From

COLONEL C. A. ORR, R. E.,

Secretary to the Government of Fort Saint George, P.W.D.,

To

The Secretary to the Government of India.

Sir,

1. In reply to your letter of the 21st January 1864, No. 320, I am desired by His Excellency the Governor in Council to state that as Colonel Ludlow had very shortly before his retirement from the Military service inspected the Irrigation Company's works in Kurnool, and a further inspection of those works would be necessary after a short time, it was considered advisable, as a temporary measure, to retain his services in order that the Government might thus more readily profit by the valuable information and experience gained by him, which would have been lost to it had any other not possessing the same intimate acquaintance with the nature and progress of the Company's operations, been selected for the appointment.

2. It is not Colonel Ludlow's wish to continue in the appointment, and it will shortly be necessary for this Government to make other arrangements for the performance of the duties of Consulting Engineer.

I have the honor to be,

Sir,

Your most obedient servant,

(Signed) CHARLES A. ORR, Colonel, R. E.,
Secretary to Government.
