Proceedings of the Madras Government, Public Works Department, 5th February 1864.

No. 108. Read the following letter from Major General S. O. E. LUDLOW, Consulting Engineer for Irrigation and Canal Company, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Camp at Cuddapah, 26th January 1864, No. 136:—

SIR,

1. Without the sanction of this Office or Government a building was rented at Rupees 15 per month for the custody of stores in the Hindry Division. The payment of a month's rent appeared for the first time in the accounts for June 1863, but I took exception to the same, and requested the Agent to explain the necessity of the charge. In reply he states in the accompanying letters Nos. 1,635 and 1,899 of the 1st December 1863 and 11th January 1864, that the original building is filled with stores, and that until the Kurnool Anicut work is recommended it is necessary to rent the additional building in question.

2. Under these circumstances I beg to recommend that the house rent of Rupees 15 per month from June 1863, may be sanctioned as a contingent charge.

No. 109. ORDER THEREON, 5th February 1864, No. 330.

1. Sanctioned accordingly.

2. The authority of Government should invariably be obtained before charges of the description referred to in this letter are incurred by the Officers of the Irrigation Company.
