*Proceedings of the Madras Government, Public Works Department,  
8th February 1864.*

No. 178. Read the following Memorandum from the Superintending Engineer, 4th Division, dated Madras, 28th January 1864, No. 4,810:—

Read the following letter from Captain W. H. EDGCOMB, R. E., Principal Civil Engineering College, to Colonel A. J. M. BOILEAU, R. E., Superintending Engineer, 4th Division, dated Chepauk, 26th January 1864, No. 786.

SIR,

1. Having been informed that the building on the Sea Beach, lately occupied by Sherfoodeen, Shawl Merchant, adjoining the Barracks of the Military Students of this College, has been made over to the Public Works Department, I have the honor to request that you will obtain the sanction of Government to its being made available as quarters for Serjeant Major W. McGowan, Sappers and Miners, attached to this College.

2. Serjeant Major McGowan is a married man, and now shares in common with the married Military Students the miserable quarters assigned to them. He is I consider entitled to separate quarters, and the site of the building above referred to especially recommends itself from its proximity to the unmarried men's Barracks, and as also being close to the site selected for the erection of new quarters for the married Military Students.

<sup>1</sup> Letter from the Principal Civil Engineering College, No. 786, dated 26th January 1864.

1. Submitted to Government with a recommendation that the arrangement suggested by Captain Edgcomb may be sanctioned.

2. The building in question was made over to this Department by the Government Solicitor on the 18th January 1864.

(Signed) A. J. M. BOILEAU, Colonel, R. E.,
