*Proceedings of the Madras Government, Public Works Department,
8th February 1864.*

Read the following papers :—

No. 183. From Captain F. J. MOBERLY, R. E., Superintending Engineer, 8th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Madura, 5th December 1863, No. 1,424.

SIR,

2 Budget Lists.

1. I have the honor to request the sanction of Government to the enclosed Local Fund Budget for the current year in lieu of that printed.

2. The works hereinmentioned have been sanctioned by the late District Engineer and Collector and are now nearly completed.

3. The funds available in the District were Rupees 12,629, of which only Rupees 4,500 have been allotted in the printed Budget, the remainder might be very usefully employed if the local Officers be allowed to avail themselves of it even within the current year.

No. 184. From Captain F. J. MOBERLY, R. E., Superintending Engineer, 8th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Meyloor, 18th December 1863, No. 1,543.

SIR,

1. In reply to your Memorandum of the 14th instant, I have the honor to report that Rupees 5,000 appear to have been entered by the Secretariat or late Chief Engineer; Rupees 4,500 were all that it was proposed to expend from the Local Funds; the Rupees 500

difference regarding which you enquire in paragraph 4 is not in existence. The Collector pulls down any part of the fort walls that he considers proper, sells the stones, and pays for his work—what he does with any balance I know not, but he informed me that it was not any part of the Local Fund.

2. The entries required in paragraph 2 have been now made.

3. The Budget was drawn up by the Collector after considerable correspondence, and only put into form by me; as it would save delay I sent it direct; his countersignature is not ordered generally, and is not attached to any other of my Budgets.

4. I believe that the Collector is wrong in his proceeding as regards the fort walls, as it seems to me that he is regarding Local Funds accounts generally. I am endeavouring to rectify matters; but if the Collector dissents I will submit the whole subject to Government, which may be arranged yet without the trouble of a reference.

No. 185. From Captain F. J. MOBERLY, R. E., Superintending Engineer, 8th Division to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Madura, 27th January 1864, No. 1,770.

SIR,
