SIR,

1. With reference to Government Order No. 253 of the 22nd January 1864, I have the

honor to report on paragraph 1, that by comparing the Budget allotment* out of Educational Funds with the total allotment of Local Funds, the amount which should be chargeable against the Educational Building Budget, on account of the Public Works Establishment, is Rupees 17,580. But if, as stated in Government Order No. 41 of 18th January 1864, Public Department, the expenditure under the superintendence of the Public Works Officers is to be estimated at Rupees 60,000, the chargeable charge becomes only Rupees 10,950 (i. e., by taking the Educational Funds at Rupees 60,000 and adding the Income Tax and Ferry Funds, which gives a total of Rupees 8,18,186, instead of Rupees 8,58,859.)

† Rupees 10,950

Rupees 1,50,000

" 10,950

Rupees 1,39,050

2. I beg to be informed whether this sum† is to be considered "the exact amount to be charged against the Educational Budget," and I shall then be enabled to gain information from the Superintending Engineers from what particular items there should be deducted there remaining sum chargeable against other Local Funds works, viz., Rupees 1,39,050.
