*Proceedings of the Madras Government, Public Works Department,
11th February 1864.*

No. 241. Read the following letter from Lieutenant-Colonel J. C. ANDERSON, R. E.,
Superintending Engineer, 2nd Division, to Colonel C. A. ORR, R. E., Secretary to
Government, Department Public Works, dated Masulipatam, 26th January 1864,
No. 50:—

SIR,

1. I have the honor to forward a letter* addressed to me by Mr. Sage, Executive Engi-
neer, reporting the occurrence of a serious injury to one of
the Quarry men at Bezoarah, from his footing having slipped
when he was climbing to his post.

* No. 342, dated 21st January 1864.

2. It does not appear that blame is attributable to any one. This is the first accident
of the kind that has been reported to me, though a number of men have been daily exposed to
the same risk.

3. I have requested the Inspector General Medical Department to post a Dresser to
Bezoarah as soon as possible. Mr. Sage reports that in this
case the Quarryman must have died, had the Medical Officer
attached to Gunttoor not been accidentally on the spot.

G. O. No. 3,249, 9th November 1863.

No. 242.

ORDER THEREON, 11th February 1864, No. 425.
