*Proceedings of the Madras Government, Public Works Department,
7th January 1864.*

No. 89. Read the following letter from Lieutenant-Colonel A. J. M. BOILEAU, R. E.,
Superintending Engineer, 4th Division, to Colonel C. A. ORR, R. E., Secretary to
Government, Public Works Department, dated Madras, 18th December 1863,
No. 4,110 :—

SIR,

1. With reference to the Proceedings of Government noted in the margin,* I have the
honor to submit for sanction an Estimate amounting to

¹ Survey.
¹ Abstract Estimate, Rupees 8,800.

* No. 2,382, dated 4th October 1862.

No. 2,825, " 29th September 1863.

Rupees 8,800, for the construction of a road from Cheyoor to
Chotapaukam in the Madras District.

2. On the 25th ultimo I forwarded to the Board of Revenue an Estimate of Rupees 22,000
for the formation of a metalled road between these two stations; but as both the Board and the
Collector consider that the metalling need not for the present be carried out, I struck out the
item entered there in on that account, and the result is the Estimate now forwarded.

3. Provision is made for the clearing of jungle, earthwork, turfing, removing rocks,
constructing road dams and tunnels, and for the payment of compensation for lands to be
taken up.

4. The road being a Salt line, the Revenue authorities are very desirous that it should be
carried out as soon as possible, and if Government can grant a special allotment at once for its
execution this year out of the Reserve Fund, or out of savings of other Districts, I shall be glad;
failing this it is requested that the Estimate, Rupees 8,800, may find a place in the Budget for
1864-65 in lieu of Rupees 20,000, provisionally entered for the purpose in my lists submitted on
the 31st October 1863.

No. 90. ORDER THEREON, 7th January 1864, No. 42.

The importance of connecting the Salt Kotars at Cheyoor with the Southern Trunk Road
having already been recognized, the Government sanctions the Estimate of Rupees 8,800, now
submitted, and authorize its entry in the Budget of 1864-65.
