*Proceedings of the Madras Government, Public Works Department,

No. 288. Read the following letter from Lieutenant-Colonel H. W. HITCHINS, R. E.,
Superintending Engineer, 5th Division, to Colonel C. A. ORR, R. E., Secretary to
Government, Department Public Works, dated Cuddalore, 4th February 1864,
No. 1,882 :—

SIR,

1. In continuation of my letter of the 12th December last, No. 1,555, I have the honor to
request that a sum of Rupees 3,000, as shown below, may be authorized to be transferred to the
repairs of Military buildings at Bangalore, as it is not likely to be spent during the current
Official year in the South Arcot District :—

2. I take this opportunity to point out the difficulty experienced in deducting the sum of
Rupees 750 sanctioned* to be transferred from the Budget
allotment of Rupees 59,850 under the head of "Agricultural
Repairs" to that of "Repairs of Salt Platforms," because the

latter amount includes the sums apportioned to the several sub-divisional heads of the minor head
"Agricultural," which again provide for current and special repairs separately—I therefore beg to
suggest that Rupees 750 be considered as having been taken out of the allotment of Rupees 28,429
for the current repairs of "Irrigation Canals," which will enable me to exhibit the transaction
clearly both in the Monthly Progress Reports and Appropriation Returns.

No. 289. ORDER THEREON, 13th February 1864, No. 449.

1. The Governor in Council sanctions the transfer of funds recommended in paragraph 1
of this letter.

2. The Superintending Engineer, 5th Division, will be requested to report the sub-divi-
sional heads to which the sum of Rupees 3,000 is to be transferred.

3. The arrangement proposed in paragraph 2 is approved.
