ECCLESIASTICAL DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from Lieutenant Colonel G. W. WALKER, R. E., Superintending Engineer, 7th Division; to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, Madras, dated Coonoor, 19th January 1864, No. 312.

Copies of the Chief Engineer's letter to Government, estimate and specification alluded to in Government Order of the Ecclesiastical Department, No. 303 of 22nd December, having turned up amongst my records, I forward them in case they may be of any use, and take the opportunity of soliciting further orders regarding the preparation of a new plan.

2. Before starting for Bombay, Mr. Ballard requested me to plan for a building to cost Rupees 6000, on the calculation that to the Legacy of Rupees 4000 an addition of Rupees 500 might be reckoned on from private subscriptions, to which it was thought that Government or the Additional Church Building Society might be induced to add Rupees 1500. As it is requisite that I should know exactly what is expected of this Department, I have the honor to request instructions whether to plan and estimate for a building to cost Rupees 4000, or Rupees 6000. Mr. Ballard considers that 100 sittings should be provided.

Referred to the Ecclesiastical Department.

Secretary to Government, P. W. D.
