No. 24.

OFFICIAL MEMORANDUM.

The undersigned has the honor to inform the Chief Secretary to Government, with reference to Mr. Kerr's Memorandum, No. 50, dated 2nd instant, that the only order issued in this Department regarding the plan and estimate for an office for the Joint Magistrate at Wellington is that contained in paragraph 3 of Proceedings, No. 3294, dated 13th November 1863, a copy of which is enclosed. From the first words of paragraph 6 of the letter from the Superintending Engineer, 7th Division, recorded in these Proceedings, it is inferred that the documents in question were prepared by desire of His Excellency the Commander-in-Chief.

CHEPAUK,

— February 1864.

To the Chief Secretary to Government,

(with G. O., No. 3294 of 1863.)

(Signed) C. A. ORR, Colonel, R. E.,
Secretary to Government, P. W. D.

ORDER THEREON, 8th February 1864, No. 156.

The Governor in Council observes that it was stated in the letter of the Quarter Master General of the Army, recorded in Proceedings 3rd June last in the Military Department, No. 1827, that suitable accommodation had been temporarily provided for the office of the Joint Magistrate at Wellington, and that the office then occupied by the Executive Engineer would be made available for the purpose permanently, on the anticipated removal of that Officer to Ootacamund. There appears, therefore, to be no necessity for the construction of an office according to the estimate submitted by the Superintending Engineer.

2. The plan and estimate of the additions proposed to be made to the Police Station House at Wellington will be referred to the Inspector General of Police for his remarks.
