PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following :—

Memorandum from the Superintending Engineer 4th Division, Madras, 29th January 1864, No. 4830; to the Secretary to Government, Public Works Department.

With reference to the Proceedings of Government, No. 120, dated 13th January 1864, the Superintending Engineer 4th Division, has the honor to point out that it has been apparently overlooked, that the several papers embodied in the Proceedings of Government, Military Department, No. 64, dated 7th January 1864, relate to *two distinct sets of Buildings*.

2. The List contained in the Superintending Engineer's letter, No. 3040, dated 24th October 1863, had reference to the Barrack accommodation for a Depôt at Saint Thomas' Mount; whereas the Plans and Estimates submitted with his endorsement, No. 3997, dated 12th December 1863, referred to accommodation for the Artillery at that Station.

3. The Estimates amounting in the aggregate to Rupees 85,100 for the latter work, have been sanctioned in the Proceedings of Government, above quoted, for entry in the Budget of 1864-65; but as regards the former work, the Superintending Engineer still awaits orders.

Referred to the Military Department, with reference to the letter from the Superintending Engineer 4th Division, No. 3040, dated 24th October 1863, recorded in the Proceedings of that Department, No. 64, dated 7th January 1864.
