*Proceedings of the Madras Government, Public Works Department,
18th February 1864.*

No. 376. Read the following letter from Captain P. P. L. O'CONNELL, R. E., Consulting Engineer for Railways, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Madras, 12th February 1864, No. 73 :—

SIR,

1. Referring to G. O. of the 9th instant, No. 411, received this day, I have the honor to request you will be so good as to inform me whether the sum of Rupees 800, authorized to be spent from the discretionary grant on the road between Codoor and Tripetty, is in addition of the sum of Rupees 1,300 referred to in paragraph 2 of Order dated 30th of last November, No. 3,512, as it is not clear from the Superintending Engineer's letter to your address whether it is his intention to spend both sums or not.

2. In my Endorsement No. 273, I did not contemplate the expenditure of so large a sum as Rupees 28,200 on the road between Tripetty and Balapilly, the Estimate for which has been prepared, I conclude, on the supposition that the Government intended to spend more money than was provided for in the Budget.

3. The completion of the Railway between Tripetty and Cuddapah, will not however entirely supersede the necessity for keeping the Trunk Road in passable order, as there must always be some traffic on the road (as in the case of the Western Trunk Road No. 1) although it runs along side of the Railway.

No. 377. ORDER THEREON, 18th February 1864, 493.

The Consulting Engineer for Railways will be informed, with reference to paragraph 1, that the discretionary grant will be expended in addition to the maintenance allowance of Rupees 1,300 provided for the road between Balapilly and Naggery in the limits of the North Arcot District.

(True Extract) .

(Signed) CHARLES A. ORR, Colonel, R. E.,
Secretary to Government.
