No. 378. Read the following letter from Colonel A. J. M. BOILEAU, R. E., Superintending Engineer, 4th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Palmanair, 11th February 1864, No. 4,934:—

SIR,

1. The sums allotted for expenditure this year on the works connected with the 1st and 2nd sets of Incorporating Mills at the Gun Powder Manufactory are Rupees 21,556 and Rupees 20,000 as noted in the margin. On the 1st set of Mills it is calculated that only Rupees 14,556 will be spent by the 30th April next, while for the 2nd set it is reported that Rupees 27,000 will be required. The saving effected on one work will therefore just meet the additional funds applied for on account of the other, and I recommend that sanction be given for the necessary transfer.
