*Proceedings of the Madras Government, Public Works Department,
19th February 1864.*

No. 338. Read the following letter from Colonel A. J. M. BOILEAU, R. E., Superintendent Engineer, 4th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Madras, 30th January 1864, No. 4,861 :—

SIR,

With reference to the Proceedings of Government No. 3,793, dated 22nd December 1863, I have the honor to report that the approximate cost of the proposed improvements in Saint Matthias' Church, Vepery, is Rupees 12,100, but as so large a sum as Rupees 27,000 is going to be allotted in 1864-65, for alterations to Saint George's Cathedral, and probably a few thousand Rupees (Estimate not yet received from Range Officer) for reforming the roof of the Church at Saint Thomas' Mount, the Ecclesiastical Department in and near Madras will, I think, receive a fair share of our funds, and if Government are of the same opinion, the project may I think be held in abeyance for entry in the Budget of 1865-66, detailed Estimates being meanwhile prepared for the alterations and improvements suggested.

*Vide Proceedings of Government No. 3,604,
dated 7th December 1863.*
