*Proceedings of the Madras Government, Public Works Department,
19th February 1864.*

No. 394. Read the following letter from the Municipal Commissioners for the Town of Madras, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Madras, 11th February 1864:—

SIR,

1. We have the honor to acknowledge receipt of the Order of Government dated 3rd instant, No. 361; and with reference to the concluding portion of paragraph 4, to observe that Clause 17 of the Draft Agreement for Street Railways appears to us to provide in the clearest manner that at the expiration of 21 years the concessions made in the said agreement shall cease absolutely; and it is obvious they can only be renewed on a fresh Agreement, and on such terms as the Government and ourselves may think fit to stipulate.

2. We note that Government have directed their Solicitor to modify Clause 16, so that it may provide for the right of purchase at the expiration of 21 in addition to the first seven or fourteen years.

No. 395. ORDER THEREON, 19th February 1864, No. 502.

Communicated to the Government Solicitor with reference to Proceedings No. 361, dated 3rd February 1864. The Agreement should provide that at the expiration of 21 years the concessions made in it will cease absolutely and be renewable only on a fresh Agreement, the Concessionnaires having the power to remove their plant if not satisfied with the terms which the Government and the Municipal Commissioners may then think fit to stipulate. It will be for Mr. Boyson to see whether Clause 17 clearly and distinctly provides for this arrangement, and if not to modify it accordingly.
