JUDICIAL DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from Captain F. J. MOBERLY, R. E., Superintending Engineer, 8th Division; to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Madura, 5th December 1863, No. 1423.

Enclosure 1.
1 Original Estimate.

I have the honor to call the attention of Government to their Order, No. 2426 of 8th October 1862.

2. The plans for the Central Jail at Madura have not yet reached me from the late Chief Engineer's Office; the original estimate I enclose. The Government have, I observe, approved them; some changes will, I believe, be necessary in prices, but in the absence of any data as to the value of Convict labor of the amount to which it can be turned to account, I propose to leave the estimate as it stands.

3. If funds for the purchase of timber can be procured, I would suggest an allotment of Rupees 10,000 to enable me to lay in and season a stock, no wood is procurable in Madura—it must be specially cut and brought in for the purpose.

4. Much too might be done by the Convicts in quarrying stone, lime, &c. for which no money would be needed.

Referred to the Judicial Department, with a view to it being determined whether the estimate is to be entered in the Budget for 1864-65.

(Signed) CHARLES A. ORR, Colonel, R. E.
Secretary to Government, P. W. D.
