*Proceedings of the Madras Government, Public Works Department,
22nd February 1864.*

Read the following papers :—

No. 433. From Captain J. BEAN, R. E., Officiating Superintending Engineer, 6th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Tanjore, 23rd January 1864, No. 1,631.

SIR,

A reference was made to the Controller and Auditor of Public Works Accounts on the 24th

December last, by the late Superintending Engineer,* requesting to know whether a balance of Rupees 36-9-11 remaining from last year's Income Tax grants in the hands of the Sub-Engineer of the 5th Range, Tanjore District, might be refunded to the Collector, as there were no works from this source in progress in 1863-64. That Officer replied on the 18th instant† that the authority of Government should be asked for the transfer of the sum to the Trichinopoly District where Income Tax works are in progress, and I have now to request that such authority may be granted.

The Superintending Engineer, 6th Division, is requested to furnish information on the following points :—

- 1st.—The work from the allotment for which Rupees 36-9-11 are reported to be available.
- 2nd.—The work to which the amount is proposed to be transferred.
- 3rd.—Under what circumstances the amount is not now required for the work for which it was originally allotted.

(Signed) CHARLES A. ORR, Colonel, R. E.,
Secretary to Government, P. W. D.

To the Superintending Engineer, 6th Division, who is requested to return this paper with his reply.

No. 434. From Captain J. BEAN, R. E., Officiating Superintending Engineer, 6th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Tanjore, 11th February 1864, No. 1,801.

SIR,

1. In reply to Endorsement on my letter of the 23rd ultimo, No. 1,631, herewith returned, I have the honor to report that the balance of Rupees 36-9-11, remaining unexpended on the 1st April 1863 in the Income Tax grants of 1862-63 for the Tanjore District, does not accrue from any particular work. In the Budget of that year four items were entered for completing bridges across the Nasooniar river, aggregating Rupees 11,292. For these works a sum of Rupees 11,612-15-5 was drawn from the Collector and Rupees 11,576-5-6 expended in the year 1862-63, and a balance remained of Rupees 36-9-11.

2. The works were completed, so that no further sum was required to be expended on them, and it was for this reason that the late Superintending Engineer suggested on the 24th December last in a letter to the Controller that the amount should be refunded to the Collector.

3. If this balance be transferred to the Trichinopoly District, I would suggest that the sum be expended on the road from Trichinopoly to Salem for which a sum† of Rupees 10,000 is entered in the current one per cent. Income Tax Budget of that District. I would observe that the Income Tax Budget of 1862-63 for the Tanjore District amounted to Rupees 20,329, but Rupees 18,696-5-6 only were expended. The cause is owing to the Estimate for the Manikarnikayar bridge, Rupees 2,242, Item No. 62, not having been carried out, as it was prepared in 1857 and required revision.

No. 435. ORDER THEREON, 22nd February 1864, No. 520.

1. Under the explanation afforded, the Governor in Council sanctions the transfer to the Trichinopoly District of the sum of Rupees 36-9-11 referred to in the papers recorded above.

*Proceedings of the Madras Government, Public Works Department,
22nd February 1864.*

2. The allotments for the bridges referred to in paragraph 1 of the second of the foregoing letters should not have been exceeded without the sanction of Government.

(True Extract.)
