MILITARY DEPARTMENT.  
PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter :—

From the Quarter Master General, Fort Saint George, 9th February 1864, No. 1618; to the Secretary to Government, Military Department.

The Commander-in-Chief has received from the Officer Commanding Malabar and Canara, the most urgent application for help to carry on the Public Works ordered at Cannanore in connection with accommodation for Troops, stating that labor is so difficult to be obtained that matters may be said to be almost at a stand still.

2. The Government is aware that the question of the removal of the Head Quarters of the Sappers and Miners to another place from Dowlaishweram, is still undecided. Pending decision, it will be unwise to send the G. Company of Sappers from Wynaad to Dowlaishweram, (which is their present destination) on relief by the E. Company, and His Excellency therefore proposes that the G. Company be sent to Cannanore for the present to aid in the prosecution of work in Department Public Works at that Station.

3. The Company has not yet left Luckady.

4. An early reply is solicited.

5. His Excellency will shortly address Government on the subject of the removal of the Sappers from Dowlaishweram.

ORDER, No. 562, 18th February 1864.
