*Proceedings of the Madras Government, Public Works Department,
22nd February 1864.*

No. 448. Read the following letter from Lieutenant-Colonel J. P. BEADLE, R. E., Officiating Secretary to the Government of India, Public Works Department, to the Secretary to the Government of Madras, in the Public Works Department, dated Fort William, 23rd January 1864, No. 363 :—

SIR,

In reply to your letter No. 3,688, dated 14th December 1863, explaining the grounds on which the salary of the temporary Overseer, employed to officiate for Mr. Campbell, in the Malabar District, during the employment of the latter on the works at the Carcoor Ghât, has been authorized to be debited to those works, I am directed to point out that in this case,—in which it is, for special reasons, thought desirable to employ an Overseer of the regular establishment on a particular work, for which it was intended to entertain a temporary hand, chargeable to the estimate of that work, —it would be the more correct course to treat the man temporarily employed in the place of the Overseer, as a temporary member of the establishment, chargeable to Part III of the Budget ; against which also the permanent Overseer should continue to be charged, otherwise a fictitious break in the continuity of service would appear, which might prejudice Mr. Campbell, and there would be an apparent saving on the estimate for the particular work.

No. 449.

ORDER THEREON, 22nd February 1864, No. 527.

Ordered to be recorded.
