*Proceedings of the Madras Government, Public Works Department,
23rd February 1864.*

No. 459. Read the following letter from Lieutenant-Colonel F. H. SCOTT, Quarter Master General, to Colonel H. MARSHALL, Secretary to Government, Military Department, dated Fort Saint George, 17th February 1864, No. 1,985 :—

SIR,

1. In reference to paragraph 2 of Order of Government No. 360 of the 3rd instant, in the Public Works Department, I have the honor by Order of His Excellency the Commander-in-Chief to state that the Plans and Estimates referred to, though dispatched on the 8th December, did not reach this Office until the 16th idem, the day after the period fixed for the reception of Estimates to be carried out from the 4 lac grant had expired. The papers had to be detained until the Commander-in-Chief's return on the 24th idem from his tour to Trichinopoly, and could not be submitted till the 26th December. All Departments, except I believe my own, were then closed, and the time for the reception of the Plans and Estimates having expired, there was nothing to be gained by sending them in before the 30th December.

2. As the Superintending Engineer was aware that estimates for expenditure from the 4 lac grant could only be received till the 15th December, it is to be regretted that he could not have sent in at an earlier date, the Estimates called for by Government on the 10th November.

Forwarded to the Department of Public Works.
