SIR,

No. 1,610, dated 19th December 1863.

Original Estimate amounting to Rs. 362
Revised Estimate for new works „ 317
Do. do. for repairs.. „ 45

1. In reference to your Official Memorandum marginally indicated, I have the honor to enclose documents marginally indicated. A special grant from the Reserve Fund is the only source from which the cost can be defrayed so far as I know.

2. The occasion of the delay in the submission of the Estimate is referable to the fact that the French Rocks will shortly cease to be occupied as a Military Station and a Church it seems will not be required. Troops are to be removed from the French Rocks to Mysore, and in consideration of the above the Estimate appeared to be no longer called for.

Memorandum from the Deputy Assistant Quarter Master General, Mysore Division, dated 22nd December 1863.

3. Should the French Rocks Church require repair the Mysore Government and not the Madras should bear the expenditure I think. Vide copy of document marginally indicated.
