No. 472. Read the following letter from Lieutenant-Colonel O. W. S. CHAMBERS, R. E.,
Superintending Engineer, 1st Division, to Colonel C. A. ORR, R. E., Secretary to
Government, Department Public Works, dated Camp Palcondah, 2nd February 1864,
No. 2,154:—

SIR,

• No. 3,414 of 21st November 1863.

1. With reference to the Proceedings* of Government on
the subject of the Offices of Executive Engineers and others
in charge of Ranges, I have the honor to report that I have received an application from Lieu-
tenant Smalley, R. E., in charge of the Ellore Range of the Godavery District for permission to
occupy as an Office and as a Range store a portion of the old Barracks of the Ellore station.

2. At a less cost than 100 Rupees, by running up two partition walls, sufficient space in one
of the Barracks would be isolated to afford the accommodation needed by this Department: the
above proposition is made on the supposition that the whole of the Military buildings at Ellore
are not required by the Revenue Survey and Military Pension Departments.

Referred to the Military Department in view to its being ascertained whether there is any
objection to the occupation of the building as proposed.
