Proceedings of the Madras Government, Public Works Department, 24th February 1864.

No. 520. Read the following letter from Lieutenant-Colonel O. W. S. CHAMBERS, R. E., Superintending Engineer, 1st Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Waltair, 15th February 1864, No. 2,180 :—

SIR,

1. Referring to G. O. No. 2,189 of 4th August 1863, I have the honor to bring to your notice that Mr. Sub-Engineer Colquhoun's original leave for six months expired on the 15th January 1864, and that the Officer transferred to the Ganjam District in the former Sub-Engineer's place has not yet joined his Range.

2. The arrangement made by me and approved of by Government in their Order No. 2,786 of 25th September 1863, must therefore stand good until the arrival of Mr. Sub-Engineer Irving, who is posted to that District.

3. Under these circumstances, I do myself the honor of requesting the necessary authority of Government to the Comptroller and Auditor of Public Works Accounts to enable him to pass the 50 Rupees sanctioned in G. O. No. 2,521 of 1st September 1863, as monthly deputation allowance to Mr. Overseer Brien in charge of No. 1 Range, and the pay of Acting Overseer V. Narrianswamy, until such time as Mr. Brien's relief from the charge of the Range held by him is effected.

No. 521. ORDER THEREON, 24th February 1864, No. 561.

1. The Superintending Engineer, 1st Division, will be informed that the arrangements sanctioned in Proceedings marginally noted should have been cancelled from the date on which he was made aware of Mr. Colquhoun's transfer from Ganjam to Nellore.

No. 2,521, dated 1st September 1863.
,, 2,786, dated 25th do.

2. In his letter No. 45, dated 16th January 1864, the Superintending Engineer, 2nd Division, reported that pending the sanction of Government he had appointed one Durmaroyudu to act as Táluq Overseer in the Nellore District during Mr. Colquhoun's absence on Medical Certificate. In reply Lieutenant-Colonel Anderson was requested to ascertain from the Superintending Engineer, 1st Division, from what date the Acting Táluq Overseer, whose entertainment was sanctioned in G. O. No. 2,786, quoted above, had been dispensed with. No reply has yet been received to this reference.

3. It is clear, however, that two Acting Táluq Overseers cannot continue to be employed, and as Mr. Colquhoun stands posted to the Nellore District, Lieutenant-Colonel Chambers will arrange for the services of Pydiah being at once dispensed with.

4. Mr. Brien will be entitled to the travelling allowance of a Supervisor during the period he may retain charge of the Chicacole Range.
