PUBLIC DEPARTMENT.
PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers:—

From Colonel W. K. WORSTER, Barrack Master, Presidency; to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated 15th January 1864, No. 1322.

With reference to Proceedings of Government, dated 6th January 1864, No. 25, and to the letter of the Superintending Engineer embodied therein, I have the honor to inform you that it will be necessary for this Department to be provided with funds to meet the additional expense involved in the removal of the night soil from the Public Privy in the North-east blind.

2. The present contractor states that he is willing to undertake the work for Rupees 35* per month (Carts supplied by Government), and as it is one unconnected with the Troops, I would solicit that whatever allowance may be sanctioned should be defrayed on my Bills by the Auditor of Department Public Works.

Referred to the Public Department. The charge is one which cannot be debited to the Public Works Department. In the case of the main sewer at Bangalore it was ruled (see Military Proceedings, No. 3154, dated 1st October 1863) that, although the care of the sewer was to be entrusted to the Public Works Department, the cost of its maintenance was chargeable to the Department concerned, viz., the Military.

(Signed) C. A. ORR, Colonel, R. E.,
Secretary to Government, D. P. W.

From R. W. LODWICK, Esq., Civil Paymaster, Fort Saint George; to the Deputy Secretary to Government, Public Department, Fort Saint George, dated 23rd January 1864, No. 5.

Presidency Department.

I have the honor, with reference to Government Memorandum, No. 32, dated 22nd January 1864, to state that the only head of the Budget to which the charge referred to in that Memorandum can be passed is F IX.

2. I return the original letter from the Barrack Master which accompanied your Memorandum.

ORDER THEREON, 17th February 1864, No. 191.

The Governor in Council sanctions the charge proposed, viz., Rupees 35 per mensem, for the removal of the night soil from the locality referred to. It will be met from the Reserve for Unforeseen Contingencies F IV for the current year, and will be entered in the monthly Return of fresh charges, &c., submitted to the Supreme Government, with a request that it may be sanctioned as a permanent charge.

2. The attention of Government has been drawn to a letter which appeared in the "Madras Times" newspaper under date the 8th instant, bringing to notice the state

of the ground on the Esplanade opposite the North gate of the Fort, on which Latrine
tents were pitched for the use of the Sappers lately encamped on the Light House
Esplanade. Orders on the subject will be issued in the Military Department.
