*Proceedings of the Madras Government, Public Works Department,
26th February 1864.*

Read the following papers:—

No. 550. Read the following Endorsement of the Superintending Engineer, 7th Division, dated Mangalore, 6th February 1864.

From R. J. LOWRY, Esq., Sub-Engineer, to Lieutenant-Colonel G. W. WALKER, R. E., Superintending Engineer, 7th Division, dated Coimbatore, 2nd February 1864, No. 106.

SIR,

1. With reference to your Memorandum ordering me to take over charge of the Coimbatore Range from Lieutenant Trail, I have the honor to request that you will be good enough to cause me to be gazetted to act for the Assistant Engineer, whilst he is on leave, as otherwise I will get no remuneration for the additional duty imposed on me.

2. On two previous occasions when I done duty for Officers holding higher appointments in the Department, I received no acting allowance, although in one instance I had charge of all the works in North Canara for more than three months. I need scarcely point out to you that there is a great deal of work and responsibility in this charge, and I have in addition to manage my own Range (Pollachy).

3. I would therefore request that you will be pleased to forward an application to Government on my behalf for the usual allowance given to men of my grade, when acting for a superior Officer of the Department.

Submitted for the favorable consideration and orders of Government.

[(Signed) G. W. WALKER, Lieut-Colonel,
Superintending Engineer, 7th Division.]
