*Proceedings of the Madras Government, Public Works Department,
29th February 1864.*

No. 589. Read the following letter from Lieutenant-Colonel J. C. ANDERSON, R. E.,
Superintending Engineer, 2nd Division, to Colonel C. A. ORR, R. E., Secretary to
Government, Department Public Works, dated Masulipatam, 10th February 1864,
No. 63 :—

SIR

Referring to the Statements of probable expenditure and requirements to 30th April 1864,* forwarded on the 21st ultimo, I have the honor to report that the small expenditure on repairs in the Nellore District up to the end of January leads me to believe that there will be a saving under the head Agricultural repairs to Irrigation Tanks of Rupees 15,000 in addition to the 10,000 Rupees reported previously†.

* G. O. No. 3,681, dated 14th December 1863.

† G. O. No. 169, 16th January 1864.

No. 590. ORDER THEREON, 29th February 1864, No. 595.

In Proceedings No. 492, dated 18th February 1864, the Government expressed its inability to grant the additional sum of Rupees 15,295 applied for by the Superintending Engineer, 2nd Division, on account of repairs in the Kistna District. As, however, Colonel Anderson now reports that a further sum of Rupees 15,000 is available from the repair allotment of the Nellore District under the head "Tanks," the Governor in Council resolves to transfer this amount to the Kistna District for expenditure during the current year. The additional sum allotted to each sub-divisional head of repair is shown in the accompanying Statement.

Secretary to Government.
