*Proceedings of the Madras Government, Public Works Department,

No. 601. Read the following letter from Captain F. J. MOBERLY, R. E., Superintending Engineer, 8th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Ramnad, 18th February 1864, No. 1,911:—

SIR,

1. Referring to Government Order No. 413, 12th instant, I have the honor to observe that I have not considered it worthwhile to appeal on the part of Government. No fresh evidence can be put in, and I cannot see my way to any other decision on the evidence which I am informed was given.

2. I have not seen the evidence, but I have desired that a copy be procured, and will forward it with the other papers called for as speedily as possible.

3. I believe that the Ryots of other villages will be considerably injured and consequently the revenue affected, but, as I understand the matter, the remedy is to be procured only by a suit filed by them against the Government Officers.

4. I have sent to Madura for other papers, after receipt of which I shall be better able to reply to the remarks of the Government Pleader
