No. 5. Read the following Endorsement of the Superintending Engineer, 4th Division,
dated Madras, 23rd February 1864, No. 5,182 :—

Read the following letter from Captain E. II. HARRINGTON, Staff Corps, to Colonel
A. J. M. BOILEAU, R. E., Superintending Engineer, 4th Division, dated Madras,
19th February 1864.

SIR,

1. Having been posted to your division in G. O. 12th instant, as Acting Executive Engineer, 1st Class, I have the honor to address you as follows, for the consideration of Government.

2. I am aware that the Establishment has been much reduced, and that it is difficult to meet the claims of Engineer Officers, who have mainly this Department to look to. I have mentioned to His Excellency the Governor that I have thought of seeking employment in the Military or other Departments, as I am not sure that my health will admit of my *permanently* devoting myself to the peculiar duties connected with Public Works.

3. Under these circumstances, and as I am near my majority in the Staff Corps, I should be sorry either to stand in the way of others, or to inconvenience the public service by temporary arrangements and consequent changes.

4. I therefore beg to express my readiness to vacate the appointment at the discretion and convenience of Government.

5. At the same time, I return my very grateful acknowledgments to Government for having conferred it on me.
