Dated	1	18

Not to be folded or roughly handled

No. 20. Read the following letter from Colonel A. J. M. BOILEAU, R. E., Superintending Engineer, 4th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Madras, 5th February 1864, No. 4,911 :—

SIR,

1. The Controller and Auditor Public Works Accounts having brought to my notice, that no changes whatever can be made in the Budget allotments under the several sub-divisional heads of repair without the special sanction of Government, I have the honor to submit for approval a Statement of transfers which have been made by me up to the end of December 1863, in each of the three Districts of the 4th Division, in which I have included the re-distribution of funds made by Government since 1st May 1863, in order that the change made in the Budget allotment for each class of repairs may be clearly seen.

1 Statement.

2. These charges are as follows:—

3. From these Statements it will be seen that there has been no excess in the total sanctioned allotment for repairs in each District, and I trust that Government will accord their approval to the re-distribution of fund as therein exhibited.

4. Since the commencement of this month, all transfers found necessary have been reported at the time for sanction, and such arrangement will in future be followed.

In letter No. 4,702, dated 23rd January 1864.

Public

Sir,

The Controller and Auditor Public Works Accounts having brought to my notice, that no changes whatever can be made in the Budget allotments under the several subdivisional heads of repair without the special sanction of Government, I have the honor to submit for approval a Statement of transfers which have been made by me up to the end of December 1863, in each of the 3 Districts of the 4th Division, in which I have included the redistribution of funds made by Government since 1st May 1863, in order that the change made in the Budget allotment for each class of repairs may be clearly seen.

2. These charges are as follows.
