*Proceedings of the Madras Government, Public Works Department,
1st March 1864.*

No. 27. Read the following letter from Lieutenant-Colonel E. HEMERY, R. E., Superintending Engineer, 3rd Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Cuddapah, 24th February 1864, No. 282:—

SIR,

1. In forwarding the enclosed letter* from Mr. Dopping, C. E., Acting Executive Engineer, 2nd Class, in charge of the Kurnool Range, Kurnool District, I have the honor to request that an Officer may be sent to relieve him as soon as possible. In the meantime I have directed Mr. Taluq Overseer Skipp to take charge of the Kurnool Range should Mr. Dopping be obliged to leave Kurnool before the arrival of his successor.

2. Mr. Skipp has lately been transferred from the Markapur to the Sirawell Taluq for the express purpose of pushing on the road from Nandial to the Cuddapah frontier at Chagalmarri, and his removal to Kurnool will most seriously interfere with the progress of that work; but in the present reduced state of the Department, the illness of one member in a District throws all my working arrangements into confusion.

No. 28. ORDER THEREON, 1st March 1864, No. 620.

1. The Superintending Engineer, 3rd Division, will be informed that no Officer can be appointed to the charge of the Kurnool Range until leave has been granted to Mr. Dopping under the Uncovenanted Service Rules.

2. In the event of it being necessary that Mr. Dopping should leave his District before the arrival of another Officer, Colonel Hemery will make such arrangements as may be necessary for the conduct of the duties of the Kurnool Range, reporting to Government the name of the Subordinate who may be placed in charge of the Range and the date on which Mr. Dopping may be relieved.

(True Extract.)

(Signed) CHARLES A. ORR, Colonel, R. E.,
Secretary to Government.

Sir,

N 325

In forwarding the included letter from Mr. Dopping C. Co. Esq. Engineer 2 Class in charge of the Narmad Range, Narmad District, I have the honor to request that an Officer may be sent to relieve him as soon as possible; in the mean time I have directed Mr. T. H. Cobden Shipp to take charge of the Narmad Range should Mr. Dopping be obliged to leave Narmad before the arrival of his successor.

2. Mr. Shipp has lately been transferred from the Marwar to the Siranell Tehsil for the purpose of pushing on the road from Mandial to the Cuddapah Frontier at Chagalmari, and his removal to Narmad will much seriously interfere with the progress of that work; but in the present reduced state of the Department, the illness of our principal in a District throws all my working arrangements into confusion.
