MILITARY DEPARTMENT.  
PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers:—  
Memorandum from the Quarter Master General, Fort Saint George, 8th December 1863,  
No. 9555; to the Secretary to Government, Military Department.  
Forwarded to Government for sanction, with the recommendation of His Excellency the  
Commander-in-Chief.

From the Officer Commanding Ceded Districts, Head Quarters, Bellary, 27th November 1863,  
102; to the Quarter Master General, Fort Saint George.

I have the honor to request that you will be good enough to obtain the sanction of His  
Excellency the Commander-in-Chief to a substantial rear Verandah, enclosed with honey-comb  
work, being built to the Guard-room, D Battery 3rd Brigade Royal Horse Artillery, the approxi-  
mate Estimate of which amounts to Rupees 378.

I may mention that at present there is a small chupper just over the door way but in conse-  
quence of the high winds that so frequently prevail here it constantly requires repairs or renewal,  
and the Guard-room being too small for the strength of the Guard a Tent is used for part of the  
men to sleep in. If the Verandah now applied for is sanctioned it will make the Guard-room  
much cooler during the day and will render the use of the Tent unnecessary as well as the ad-  
dition to the Guard-room, applied for in the list that accompanied my letter, No. 94, dated 30th  
August 1862.

ORDER, No. 4056, 19th December 1863.  
Approved and communicated to the Department Public Works.  
(True Extract.)
