JUDICIAL DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers:—

Proceedings of Government in the Public Works Department.

*Communicating the opinions of the several
Superintending Engineers, relative to the ad-
visability of granting office rent to Officers in
charge of Ranges, and as to a whether or not
temporary buildings for the purposes of a
Range office had better be constructed.*

(Dated 21st November 1863, No. 3414.)

The Civil Judge of Chittoor is requested to report, in communication with the Inspector General of Police, how the buildings formerly occupied by the Subordinate Court and Mufti Sudder Ameen are now used, and whether one room in them can be spared for the office of the Chittoor Range Officer, Department Public Works.

FORT SAINT GEORGE,
December 1863.

(Signed) A. J. ARBUTHNOT,
Chief Secretary.

From C. A. ROBERTS, Esq., Civil Judge of Chittoor; to A. J. ARBUTHNOT, Esq., Chief Secretary to Government, Fort Saint George, dated Chittoor, 21st December 1863.

In reply to your Memorandum upon the enclosed papers in the Public Works Department, I have the honor to state that I have, in company with the Superintendent and the Deputy Inspector General of Police, and the Public Works Officer of this Range, visited the buildings formerly occupied by the late Sub and Mufti Sudder Ameen's Courts at this station.

2. The Sub-Court House is now temporarily occupied by the Collector and his Establishment during the repairs of his Cutcherry, which will be completed, I understand, within a month hence. After allotting the space requisite for the preservation of the Provincial and Sub-Courts' records, the whole of the Sub-Court House and a portion of one of the adjacent buildings would be available for the use of the Police, and Captain Hearn informs me would prove sufficient for their purpose.

3. The one room formerly occupied by the Mufti Sudder Ameen, which is 19 by 13 feet and surrounded by verandahs, together with an adjacent godown, 16 x 12 feet, which could also at present be spared, would, when put in repair, afford good accommodation to the Public Works Office of the Range.

4. I am however of opinion that it is not advisable to make over any portion of these buildings to other Departments until it be definitely decided by Government in what shape the aid, which must in my opinion be afforded to this Court, is to be granted. This latter point I have this day again referred for the consideration of the High Court.

ORDER THEREON, 24th February 1864, No. 242.

The foregoing letter will be communicated to the Department of Public Works.

2. Adverting to the last paragraph, it is observed that the Government have ordered an arrangement under which the room referred to in paragraph 3 will not be required by the Judicial Department.
