Proceedings of the Madras Government, Public Works Department, 3rd March 1864.

No. 67. Read the following letter from Colonel A. J. M. BOILEAU, R. E., Superintending Engineer, 4th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Madras, 26th February 1864, No. 5,306 :—

SIR,

With reference to the Proceedings of Government No. 1,262, dated 19th May 1863, I have the honor to report that the Assistant Engineer, Northern Range, has been requested to submit as soon as possible a statement of the probable cost of widening Popham's Broadway, but the amount thereof will, I feel confident, be very large ; and as it seems next to certain that the purchase of the property will never be authorized, I request that permission may be given to me to remove the subject from my list of "Unanswered References."

No. 68. ORDER THEREON, 3rd March 1864, No. 639.

1. The Government desires that the Statement under preparation by the Assistant Engineer, Northern Range, may be submitted without delay.

2. It is now upwards of a year since the report of the probable cost of widening Popham's Broadway was called for by Government.
