*Proceedings of the Madras Government, Public Works Department,
3rd March 1864.*

No. 69. Read the following letter from Colonel A. J. M. BOILEAU, R. E., Superintending Engineer, 4th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Madras, 27th February 1864, No. 5,334 :—

SIR,

In their Proceedings of the 7th January 1861, No. 29, Government requested that they might be furnished with a report of the result of the adoption of the Chief Engineer's proposal to let out in allotments rent free for a certain period, portion of the wood wharf on the right bank of the Cooum River at Chintadripettah (Saint Andrew's Pettah). Subsequently a report on the subject appears to have been submitted by Mr. Cunliffe the Collector of Madras, in paragraph 28 of his report of the 23th August 1862, and as from the notice taken thereof by the Secretary of State for India in his Despatch of the 28th February 1863, No. 3, of which an extract is embodied in the Proceedings of Government No. 1,003, dated 23rd April 1863, the subject seems to be no longer an open one: I have the honor to request permission to remove the Order No. 29, dated 7th January 1861, from my List of Unanswered References.

No. 70. ORDER THEREON, 3rd March 1864, No. 640.

The Government authorizes the removal of the Order referred to in this letter from the List of Unanswered References of the Superintending Engineer, 4th Division.
