*Proceedings of the Madras Government, Revenue Department,
1st March 1864.*

No. 1. Read the following letter from Captain J. BEAN, R. E., Officiating Superintending Engineer, 6th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Tanjore, 18th February 1864, No. 1,909 :—

SIR,

1. The Collector of Tanjore in a letter, dated 22nd January 1864, No. 13, represents that in the Salt Budget of 1864-65, a sum of Rupees 750 has been entered by him for extending one of the Salt Platforms at Negapatam, but that the growing importance of the trade and the necessity for providing additional accommodation at once, renders it desirable to sanction the proposed work in this year.

2. At Mr. Cadell's request, I enclose an Estimate amounting to Rupees 1,660 for the extension of the Platform, and I have directed the Range Officer to carry out the work at once, pending the sanction of Government. The amount of Estimate can be met in part from the Budget allotment for repairs under the head "Salt", Rupees 650, and the balance, if not available from the Reserve, from other items of the Budget marginally shown.
