*Proceedings of the Madras Government, Public Works Department,
5th March 1864.*

No. 123. Read the following letter from Colonel A. J. M. BOILEAU, R. E., Superintending Engineer, 4th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Madras, 1st March 1864, No. 5,416:—

SIR,

1. In Extract Minutes No. 1,475, dated 28th July 1858, Government ordered that when the Estimate Rupees 8,580, therein sanctioned for restoring the banks of the Cooum river throughout the Presidency limits had been worked out, application should be made for the grant of an annual allowance for their maintenance.

2. Of the sum in question Rupees 4,359-2-0 were spent between July 1859 and January 1861, since which time there has been no expenditure on the Estimate.

3. In obedience to the Government Order above quoted, the Acting Executive Engineer has now submitted an Estimate amounting to Rupees 1,000 for the annual maintenance of the banks, which as directed, has been prepared in communication with the Municipal Commissioners, I think, however, that this sum is unnecessarily great, and that the amount Rupees 760 allowed in the Budget for repairs under the head of "River Improvements" will be sufficient for all purposes.

4. Under these circumstances I request that permission may be given for the subject being omitted from my List of "Unanswered References."

No. 124.

ORDER THEREON, 5th March 1864, No. 668.

No. 1,475, dated 28th July 1858.

The Superintending Engineer, 4th Division, is authorized to omit the Order noted in the margin, from his List of Unanswered References.
