*Proceedings of the Madras Government, Public Works Department,
7th March 1864.*

No. 165. Read the following letter from Lieutenant-Colonel G. W. WALKER, R. E.,
Superintending Engineer, 7th Division, to Colonel C. A. ORR, R. E., Secretary to
Government, Department Public Works, dated Muddiyanaad, 25th February 1864,
No. 340 :—

SIR,

I have been informed by the Collector of Canara that the sum of Rupees 283, from Pagoda
funds, sanctioned in part of the Estimate for a Choultry on Charnady Ghât, by Government
Order No. 3,677 of 12th December 1863 is not available, the whole Pagoda Fund balance of
Canara District having been credited to the General Account of Government under authority of
the Revenue Board's Proceedings No. 5,053 of 13th August. Mr. Morris considering that the
building is a very desirable one, is of opinion that its whole cost may well be defrayed from Local
Funds; agreeing with him in which I have allowed the work to proceed, with a view to its com-
pletion before the monsoon. Its cost, Rupees 500, cannot be met from savings on existing
sanction, but must be considered an extra appropriation from surplus funds in hand.

No. 166. ORDER THEREON, 7th March 1864, No. 689.

The Government desires to be furnished with further particulars regarding the surplus
funds referred to in the latter clause of this letter, and the amount which is available from that
source.
