**FINANCIAL RAILWAY DEPARTMENT.
PROCEEDINGS OF THE MADRAS GOVERNMENT.**

Read the following papers:—
Proceedings of Government in the Public Works Department.

*Referring an inquiry made by the Officiating
Superintending Engineer, 6th Division, as
to whether the order, calling for Plan and
Estimate to connect the town of Vellum with
the Railway at Alakudi, supersedes that por-
tion of order directing preparation of an
Estimate for a road southwards from Boo-
dalore to Senjiputty.*

(Dated 11th February 1864, No. 415.)

The Consulting Engineer for Railways is requested to state, with reference to paragraph 4 of the letter from the Officiating Superintending Engineer, 6th Division, whether the formation of a road connecting the town of Vellum with the Railway, sanctioned under date the 16th November last, was intended to supersede the road from Boodalore to Senjiputty, for which an Estimate was called for in the Order of the 20th June 1863.

FORT SAINT GEORGE.

22nd February 1864.

(Signed) A. J. ARBUTHNOT.

Chief Secretary to Government.

From Captain P. C. L. O'CONNELL, R. E., Consulting Engineer for Railways, to A. J. ARBUTHNOT, Esq., Chief Secretary to Government, Fort Saint George, dated Madras, 23rd February 1864, No. 96.

Referring to the docket, dated the 22nd instant, on the Proceedings of Government, in the Public Works Department, No. 415, I have

* Herewith returned.

Dated 11th February 1864.

the honor to state that in recommending the formation of a road for connecting the town of

Vellum with the Railway station at Alakudi, I did not intend that it should supersede the formation of a road from the Boodalore Railway station to Senjiputty.

2. Mr. Cadell, in his letter of the 4th September last, No. 856, states that:

"The work in question would, however, be comparatively a cheap undertaking, and might in future lead to bringing more land into cultivation. . ."

3. I would recommend that the Officiating Superintending Engineer, 6th Division, be requested to send in the necessary Estimate and Survey of the road.

ORDER THEREON, 27th February 1864, No. 132.

Ordered that the letter from the Consulting Engineer be communicated to the Public Works Department, with reference to paragraph 4 of the Proceedings in that Department, dated 11th instant, No. 415.

(True Extract.)

Chief Secretary.

To the Public Works Department.
