ECCLESIASTICAL DEPARTMENT.
PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from Captain J. W. RIDEOUT, Lay Trustee and Financial Secretary, Saint George's Cathedral; to the Chief Secretary to Government, dated Madras, 23rd December 1863.

Adverting to the Order recorded in Proceedings of Government, No. 232, dated 1st instant, conveying sanction for the entry in the ensuing year's Budget of the sum of Rupees 27,000 for the execution without further delay of certain proposed alterations in Saint George's Cathedral, I have the honor to request that the Trustees may be authorized, in communication with the Superintending Engineer of the Division, at once to make arrangements for carrying out such part of the contemplated changes as will need more time than the actual masonry work, and thus ensure the completion of the whole work simultaneously, and avoid the necessity for closing the building for any undue length of time.

2. The sum sanctioned for the purchase of new lamps is Rupees 3000; for new sittings Rupees 8000, and for moving the Organ Rupees 3000, altogether Rupees 14,000, the actual expenditure of any of this money in anticipation of the Budget's sanction is not necessary; the Trustees merely request they may be authorized to make terms without delay with the lamp manufacturers in England, Mr. Hill the Organ builder, and Mr. Deschamps, for the manufacture of new Church fittings.

ORDER THEREON, 23rd December 1863, No. 306.

The Governor in Council authorizes the Chaplains and Lay Trustees of Saint George's Cathedral to make arrangements at once for the purchase of new lamps and new seats, and for moving the Organ, all of which are provided for in the estimate submitted with the Trustees' letter of the 13th ultimo.
