FORT SAINT GEORGE,
11th January 1864.

No. 89.

No. 185.

From

COLONEL C. A. ORR, R. E.,

Secretary to the Government of Fort Saint George, P.W.D.,

To

The Secretary to the Government of India, Public Works Department.

SIR,

With reference to paragraphs 1 and 2 of your letter No. 4,814, dated 14th November 1863, and in continuation of mine, No. 3,688, dated 14th ultimo, I am directed by the Honorable the Governor in Council to state that the Government of India has been misled as to the disposal of the sale proceeds of the materials of the old wall of the Fort of Masulipatam, as well as of its site, including the ditch, by the erroneous wording of the abstract given in entry No. 196, of the printed Proceedings of this Department for August 1863, the order in the Revenue Department, of which that abstract professed to give the substance, having clearly directed that the sale proceeds in question should be paid into the Treasury for investment in Government securities exactly as the sale proceeds of waste lands are invested, and that any expenditure required for roads should be provided in the usual course in the Public Works Department. The necessary corrections have now been made in the abstract.

I have the honor to be,

Sir,

Your most obedient servant,

(Signed) CHARLES A. ORR, Colonel, R. E.,
Secretary to Government.
